ARIZONA DEPARTMENT OF TRANSPORTATION OPEN HOUSE

Interstate 10/State Route 90 Traffic Interchange

Thursday, March 5, 2009
Cochise College – Benson Campus
1025 S. Highway 90, Benson

5:30 p.m. to 7:30 p.m. / Brief Presentation at 6:00 p.m.

The Arizona Department of Transportation (ADOT) and the URS Corporation project team are currently developing final design plans for the reconstruction of the traffic interchange on I-10 at State Route 90 near Benson, Arizona (milepost 302). The project will improve the interchange in that corridor by moving I-10 to the north and straightening roadway curves along I-10. These changes will improve the safety of the corridor and increase the capacity of the interchange.

The purpose of this open house is to present information and to receive comments regarding the design and ultimate construction of the project. Displays will be available for viewing and project team members will be available to answer questions in an open house format.

For technical and project information, please contact Evelyn Ma, ADOT Project Manager, at (602) 712-6660 or Jody Rodriguez, URS Corporation Design Consultant, at (520) 887-1800.
